

Important Visa Information

An 'STP' or 'Volunteer' visa is required to volunteer in Tanzania and costs around US\$100 depending on where it is obtained. Some nationalities can apply in advance from their local Tanzania Embassy, but most volunteers will obtain the volunteer visa from the airport on arrival in Arusha. Please ensure you have sufficient US\$ to pay for the volunteer visa on arrival (notes must be no older than 2009).

The STP-visa, which is valid for three months, can then be renewed for a further three months if required.

Note: All travelers require return or onward tickets, all documents required for their next destination and proof of funds. Currently visitors arriving from infected areas must hold a yellow fever vaccination certificate.

Passport and visa requirements are liable to change at short notice. Travelers are advised to check their entry requirements with their embassy or consulate.

If you are going to be a volunteer in Tanzania for more than 90 days, the work permit must be renewed, which again costs approx. \$250USD.

This is also included in the program price, but you must expect a little extra expense in connection with the renewal of your tourist visa.

Details of this can be found in the handbook that you receive after registration.
