

## PROGRAM COST

### **Tanzania – Quick Facts**

- Start Dates: All Year Round
- Duration: 1-24 Weeks
- Program Locations: Arusha & Zanzibar
- Minimum Age: 17 years+
- Certificate – Offered after Program completion

All volunteer programs start on the first and third Monday of each month. Tanzania programs are fully open now!!

The country has opened for international arrivals. Programs in Arusha, Dar es Salaam, Mwanza, Mbeya and Zanzibar are available. No quarantine requirements on arrival.

**AMKA AFRIKA** provide the world's most affordable volunteer Program Fees all while delivering an award-winning support service. Using an online and modern approach we are able to provide life-changing opportunities which are often a fraction of the cost of similar organizations.

**AMKA AFRIKA** is also offering a wide range of affordable volunteering opportunities in two different cities in Tanzania – Arusha, and Zanzibar. Participants can choose to be a part of diverse projects including Childcare, medical, Teaching English, 2 Weeks Special, Football Coaching, and Conservation Project.

Medical and pre-med students can join the Health Care Project and work with experienced professional doctors. Apart from these, gap year travelers and backpackers looking to gain some meaningful international work experience as well as high school and college students looking for a worthy project can join the <https://amkaafrika.com/volunteer-fortanzania/>, which not only gives a chance to volunteer but also allows you to explore the adventure trails and spot the Big 5 amidst the wilderness.

If you wish to be a responsible volunteer in Tanzania and enjoy the thrilling game drives, then get ready and join it through us!

If you are tired of expensive volunteer programs but want to make a positive contribution to the world, look no further! **AMKA AFRIKA** is dedicated to offering high-quality, well-organized, and meaningful programs at the most affordable price in the United States.

We work hard to keep costs as low as possible, focusing on the effectiveness of our projects, the safety of our volunteers, and the quality of participant experiences. We currently offer the most competitive price possible in today's market and as small weekly fee as follows:

### Important things to note;

Our entire given Program does not attract a registration fees to join us.

Additional things to budget for include: Visa, flights, travel insurance (mandatory), vaccinations, criminal background check and return to the airport when your program finishes.

Recommended spending money: Volunteers in Tanzania generally find US\$70-90 per week to be sufficient for expenses.

Independent volunteers under the age of 18 will have an additional cost of US\$80 per week added to their program fee to cover extra logistical support provided by the local team.

The Medical project has an additional surcharge of US\$50 per week for additional supervision, materials, and logistics involved.

The Animal Welfare project has a one-off surcharge of US\$80 which covers costs involved in supervision and transport, and goes directly to the veterinarian volunteers are working with.

The Sustainable Agriculture project has a one-off surcharge of US\$80 and the Construction and Renovation project has an additional surcharge of US\$49 per week which covers supervision, materials and logistics involved with these projects.

A volunteer signing up for long term can pay his or her program cost with us on installment-Available on request.
