

## **Radiography Volunteer**

Amani Hostel arranges for radiography placements in Tanzania this program caters for radiography students and qualified radiographers from all corners of the world.

Our radiography placement program runs throughout the year and is designed to specifically suit your individual interests, to meet your course requirements, desired experience and abilities. You can do it at any stage of your radiography training or professional career.

Amani Hostel we take care of all aspects of your placement process to ensure you have a “just what the doctor ordered” experience, these include: -

- Flexible travel dates (arrival and departure)
- Program specialty details
- Choice of placement location
- Identifying a suitable placement supervisor
- Accommodation at our very own resident
- Your daily upkeep requirements
- Local transport arrangements

### **Projects:**

The core of the project is the immense Hands-on clinical experience that gives medical students and volunteers a rare opportunity to practice their various skills. The program can either be rural or urban based depending on your preference

In addition to the core teaching and outreach project / component, all our programs have a volunteering component as a way to give back to the communities we work in; depending on the location / camp where your program is located, participants get involved in a wide range of volunteer projects, depending on their interests such as:

- Community development, especially on healthcare and educational issues
- Wildlife conservation
- Environmental conservation
- Marine conservation
- Sports development
- Some past volunteer projects have included orphanage visits, teaching kids how to swim, visiting elementary schools and making essential donations such as books and pencils. See gallery

### **Adventure**

Depending on location, participants have the option to get involved in a wide variety of adventures, over and above the clinical and volunteering components. There are separate and optional activities that will need to be reserved separately:

- Mountain trekking at Mt. Kilimanjaro and Mt. Meru
- Cultural tours for visiting Maasai village or Chagga Bomas in Moshi, Kilimanjaro
- Beach time in Zanzibar
- Biking
- A walking tour of Arusha city
